

# COVID-19 Spread Levels

Based on Indiana's Back on Track Plan

Per the Indiana State Department of Health, the COVID threat levels for each county will be based on the average of two metrics:

1) Number of new cases in the past week per 100,000 residents 2) Percent positivity

Each Wednesday, counties will be assigned a score of 0-3, which will place the county into one of four colors. If necessary, LPCSC will implement any programming changes needed the following week.

## Blue

Minimal community spread

### Metrics

0-.9 over a 7 day period

### ISDH Recommendations

- Schools operate all grades in person but limit activities where social distancing is not feasible
- Extra-curricular activities to follow local and state guidelines, including distancing and masks, and limit spectators

### LPCSC Program Schedule

In person and distance maintain normal schedule

## Yellow

Moderate community spread

### Metrics

1-1.9 over a 7 day period

### ISDH Recommendations

- Schools continue all grades in person but increase vigilance in distancing, hygiene, and masks
- No activities if social distancing is not feasible
- Postpone or cancel extra-curricular activities as warranted

### LPCSC Program Schedule

In person and distance maintain normal schedule

## Orange

Moderate to high community spread

### Metrics

2-2.5 over a 7 day period

### ISDH Recommendations

- Grade schools continue in person; strong recommendation for hybrid for middle and high school
- No large group activities
- Strong recommendation to limit extra-curricular activities

### LPCSC Program Schedule

**In Person:** M, W, F

**Remote:** Tues & Thurs

Distance maintain normal schedule

## Red

High community spread

### Metrics

Greater than 2.5

### ISDH Recommendations

- Grade school remain in person or consider hybrid; middle and high school consider virtual
- No large group activities
- Extracurricular activities canceled
- Discourage social events

### LPCSC Program Schedule

100% distance learning for all students
