Mrs. Shannon Hannon, Member
Mr. Jim Arnold, Member

Curriculum and eLearning Assignments

Starting tomorrow, Wednesday, March 18th, eLearning assignments will be posted for all K-12 students at 8 a.m. This week, eLearning assignments will be provided Wednesday, Thursday and Friday. All assignments for this week should be submitted to teachers by 8 a.m. on Monday, March 23rd.

Parents should communicate with their child's teacher about assignment questions during scheduled hours of 10-11 a.m. and 12:45-2:45 p.m.

Preschool packets are being mailed today to all parents of preschool students. Questions about packets can be directed via email to your child's preschool teacher.

How do I log into my student's online accounts?

To check your child's progress, you may log into your child's account through Google classroom or Canvas. Your child's login credentials can be found under the "Student Info" tab in Skyward Family Access. When clicking the "Student Info" button you will see an email address that ends in @lpcsc.k12.in.us next to the word "School." This is the student's Google username. Further down on the screen, you will see a field labeled "Other ID." This is the student's password for Google and Canvas.

Google Classroom/Chromebook Login <https://classroom.google.com> - Student email address is used as the username and the password is the Other ID field in Skyward. Example johnsmith@lpcsc.k12.in.us is the username for child John Smith (middle initial is also required).

Canvas Login <https://lpcsc.instructure.com> - Username is everything before the @lpcsc.k12.in.us with the Other ID field in Skyward as the password. Example - johnsmith is the username for user John Smith.

Technology issues can be shared with the child's teacher to determine if it is an assignment question or technology.

Parents can share specific technology questions to the help site at elarning@lpcsc.k12.in.us.
