

	<b>Option 1* Traditional LPCSC Programming</b>	<b>Option 2* Distance Learning Academy</b>	<b>Option 3* LPCSC Homeschool Academy</b>
<b>2020-2021 Overview</b> <small>updated 7.28.2020</small>	LPCSC Traditional School learning conducted live, in-person following Green, Yellow, and Red Threat Levels as outlined in the full "Getting Back on Track" plan.	LPCSC remote learning for students conducted off-campus. This distance learning option is helpful to parents/students who are looking for a short term option and will eventually want to return to traditional programming in person.	LPCSC Homeschool Academy learning is conducted remotely. This option is best as a long term option. Students using this option would enroll for the entire school year and beyond. Students would be offered an LPCSC Chromebook to use.
<b>Description</b>	Traditional on-campus learning with prevention measures at each school for safe in-person learning. Please note this option may include a hybrid of in-person and distance learning under the "Yellow" stage in the full plan.	Distance learning option is provided for parents who are not ready to send their student back to in-person learning, for students who may have medical needs or who are quarantined.	The LPCSC Homeschool Academy is a long term distance learning option aimed to service families who elect to be removed from traditional schooling to a full time, long term virtual environment. Parents need to commit to acting as a strong resource to provide support for distance learning with the LPCSC Homeschool Academy.
