Last evening, the LPCSC Board of School Trustees ruled to approve our alternative schedule for classes and employee working conditions. As a result of this decision the La Porte Community School Corporation has now officially closed all buildings to the public and limited access to those employees deemed to be "essential" in order for us to maintain critical operations.

Parents, students, and community members are encouraged to visit our website and follow social media for important announcements including our food distribution schedule. We are suggesting e-mail as the best form of communication for community members to stay in touch with our employees. Email addresses for staff can be found on our main web page.

Respectfully,

Mark Francesconi
Superintendent
La Porte Community School Corporation
