Assessment Literacy Update

February 18, 2019

Share with Educators

Share with Parents and Educators! Short Assessment Videos

Our office is developing several three-minute videos to share with parents and educators about assessment systems and transitions to support assessment literacy. Please share these valuable resources via newsletters or parent messages.

- How is Indiana building a [system of assessments](#)?
- How is Indiana [assessing with technology](#)?
- How does ILEARN [dig deeper](#) into knowledge and skills?
- NEW! You Nailed It! [Writing on the ILEARN Assessment](#)
