## Opening a Locker

If a student reports a locker problem, they first need to make certain they are attempting to open it the following way:

- Spin the dial to the right 2 revolutions
- Stop on the first combo number turning the dial to the right
- Now spin the dial to the left past the 2<sup>nd</sup> combo number one time and then stopping on the 2<sup>nd</sup> number the second time.
- Lastly turn the dial to the right until the dial stops and then open the locker. Basically you are forgetting about the 3<sup>rd</sup> combo number all together.

If a student cannot get the locker door to close, they must redo the combo, close the door, and then spin the dial to the left to relock the locker door.

## LPHS Dress Code

Students are expected to observe ordinary standards of grooming with attire appropriate to a comfortable but professional and working school atmosphere. It is reasonable for LPHS to have expectations for dress that reinforces the same expectations that employers will have for their workforce. Each student should dress in a manner that is appropriate for school and its related activities. Students should not wear any apparel that could cause harm to themselves or other students. The following list of dress code rules will be enforced by staff:

- No Tank tops for either gender; a minimum of 'capped sleeves' including dresses
- No crop tops or see-through tops
- No cut-out shirts revealing skin in the front or back
- No holes in clothing above the knee, ragged jeans and/or low-riding pants
- No clothing that promotes or advertises drugs, alcohol, sex, profanity, obscenity or that is racially or culturally offensive
- No pajamas, sleepwear, or blankets are permitted in school
- Outdoor clothing, such as coats or jackets, are not to be worn in the building during the school day
- No back packs or draw string bags are allowed during the school day. Cases must be 9 ½" x 7 ½" (**see back of sheet for template**). Trapper Keepers are permitted
- No tights as pants are permitted unless they are worn under the pants or covered by a permissible skirt or long shirt
- No headgear or hats, including sweatshirt hoods and bandanas, will be worn in the building.
- Purses must be the size of a pencil bag sold in the bookstore, 9 ½" x 7 ½" (**see back of sheet for template**)
- Length of shorts, dresses, and skirts must be longer than the edge of fingertips with arms extended to the side
- P.E. students swimming in class must be properly covered. No bikinis permitted unless covered with a shirt.
- Coats, jackets, hats, and book bags should be placed in student's locker upon arrival at school

# Parent Pick Up and Drop Off at LPHS.

Welcome back parents! With construction being completed and access drives being fully open and operational, we will be using a new drop off location in the morning for all parents and students. The new drop off location is going to be Door #13 on the east side of the newly constructed Performing Arts Center. Parents will still turn in off of 6<sup>th</sup> street by the pre-school entrance, however, rather than stopping at Door #9, all parents will need to pull up through the drive to Door #13. Once students are dropped off, parents have the option to use one of the 2 open exits onto "F" Street via the horseshoe drive. This will alleviate almost all of the congestion that we have seen for years on 6<sup>th</sup> street with our busses and morning traffic. This new traffic pattern will be a positive change for all. Please reference the map on the back side of this sheet. Thank you for your cooperation.

avenues, traffic and nearby places

Congratulations! As part of our One to World Learning initiative, you will soon receive a La Porte Community School Corporation owned chromebook to be used throughout your high school career. Cases designed specifically for transporting your chromebook will also be issued to you and will be yours to keep.

The following terms apply to both the device issued to you and/or any loaner device issued to you throughout the term of this agreement:

- I understand that it is my responsibility to exercise reasonable care of the device at all times.
I acknowledge that any issued device is and remains the property of LPCSC and should be returned to LPHS if I withdraw or leave the school corporation for any reason. Failure to do so will result in a replacement charge and a report of stolen property with our local law enforcement. The chromebook case does not have to be returned.
I understand that my use of the device must comply with all requirements of District policies, procedures, and the student discipline code, regardless of where or when I use the device.
I understand that I am expected to bring my device to school every day, ready to use, fully charged, and in the provided chromebook case.
I understand that since the device is owned by the Corporation, all repairs and/or replacements must be completed by the school corporation's technology services.
I understand that I have the option of purchasing a \$30 Maintenance Plan each year that will cover two accidental damages throughout the school year. Deadline to Opt-In to the Maintenance plan is September 4.
I understand that the confidentiality of information, data, images, and messages on a district-owned device should NOT be assumed and that users have no expectation of privacy with materials or content created, received, sent, viewed, or accessed on the device.
I understand that this device is to be used by me for school-related/educational purposes. I cannot lend the device to anyone, including friends or siblings, and must never share my login and password.
I acknowledge that the device is filtered per requirements of CIPA. Because filters are never 100% safe, it is my responsibility to search safely and the responsibility of my parents/guardians to supervise use of the device outside of school hours.
I understand that my use of this device and the Corporation network is a privilege, not a right and that LPCSC may revoke my privilege to use a device and related services at any time.
I understand that I must always treat the device with care to ensure it remains a learning tool throughout high school. While devices experience normal wear through daily use, I am ultimately responsible for handling the device with care, carrying it in a case at all times, charging it fully for each day, and ensuring safe storage when not in use.
I understand that I will be required to turn in my assigned device prior to summer break. The device will be re-issued to me upon the start of the following school year. I will keep my chromebook case over the summer and will bring it when my device is re-issued.

I have read, understand and agree to the terms of this agreement.
