LPCSC
COVID-19 Self Screening Checklist for Parents/Students

The following checklist is provided for parents and students to help them when making decisions regarding students staying home from school.

1. Has child had a fever of 100.4 or greater within the last 24 hours?
   ☐ YES ☐ NO
   If yes - child stays home. Contact doctor for guidance.

2. Does child have any of the following respiratory symptoms?
   ☐ New or worsening cough
   ☐ New or worsening shortness of breath

   • If YES to any, keep student home.

3. Has child been directly exposed to someone that has recently been identified to have Covid 19?

   If yes, report this to school and to county health department.
